DIRECT

This coverage is not required to comply with certain federal market requirements for health insurance, principally those contained in the Affordable Care Act. Be sure to check your certificate carefully to make sure you are aware of any exclusions or limitations regarding coverage of preexisting conditions or health benefits (such as hospitalization, emergency services, maternity care, preventive care, prescription drugs, and mental health and substance use disorder services). Your certificate might also have lifetime and/or annual dollar limits on health benefits. If this coverage expires or you lose eligibility for this coverage, you might have to wait until an open enrollment period to get other health insurance coverage. Also, this coverage is not "minimum essential coverage." If you don't have minimum essential coverage for any month in 2018, you may have to make a payment when you file your tax return unless you qualify for an exemption from the requirement that you have health coverage for that month.

Short Term Medical
Understanding How it Works

A Choice of Coverage to Fit Your Specific Needs

You select the coverage term length (minimum of 30 days; maximum days available varies by state), then choose your deductible, and coinsurance that fit your budget. See pages 3-5 for a comparison of the plans available. Once you meet your deductible, you pay a percentage of covered expenses (coinsurance) to the coinsurance out-of-pocket maximum amount you selected. Then insurance pays 100% of the remaining covered expenses to the lifetime maximum benefit.

UnitedHealthCare Choice Network Advantages

Receive quality care at reduced costs because the network providers have agreed to lower fees for covered expenses. The large network of doctors and hospitals offer choices across the nation, so even when you're traveling, you're likely to find in-network care. You must use a network doctor or hospital. These plans pay no benefits for out-of-network expenses except for emergencies. See page 7 for more details.

This is an outline only and is not intended to serve as a legal interpretation of benefits. Reasonable effort has been made to have this outline represent the intent of contract language. However, the contract language stands alone and the complete terms of the coverage will be determined by the policy. **State-specific differences may apply, see pages 10-13.** Short Term Medical plans do not provide coverage for preexisting conditions and are subject to medical underwriting.

Top Questions

Why should I consider this coverage? These plans can help bridge the gap in coverage if you: (a) must wait until the next Open Enrollment or are waiting for other coverage to begin; (b) are between jobs; (c) retired early; or (d) just graduated college. Keep in mind that you may owe an additional payment on your taxes because these plans are not ACA-compliant.

Is there someplace I can view and keep track of my benefits? Yes, with myUHOne.com you'll have access to your plan benefits and the ability to track your claims online. This member site also allows you to search for providers in your network and print copies of your ID card and certificate.

Available for additional premium.

Per Term Deductible Option for Short Term Medical Value and Plus Plans Only

Supplemental Accident Optional Benefit for All Plans Certificate Form 6-C-410

Reduce or eliminate your out-of-pocket exposure for accident-related injuries for additional premium. Supplemental Accident helps cover your deductible or other out-of-pocket medical expenses (before the health insurance starts paying covered expenses) for unexpected injuries. You select a maximum amount ($1,000,* $2,500, $5,000, $10,000 or $12,500) per accident, per covered person.

* **Note:** The $1,000 benefit amount is not an option with the Short Term Medical Plus Elite and Plus Elite A plans.

Other Details (all plans)

Coordination of Benefits (including Medicare)

If after coverage is issued, a covered person becomes insured under another health plan or Medicare, benefits will be determined under the Coordination of Benefits (COB) clause.

COB allows two or more plans to work together so the total amount of all benefits is never more than 100% of covered expenses. COB also takes into account medical coverage under auto insurance contracts. To determine which plan is primary, refer to "order of benefits" in the certificate.

Dependents

For purposes of this coverage, eligible dependents are your lawful spouse and eligible children. Eligible children must be under 26 years of age at time of application.

Effective Date

Expenses for injuries are eligible for coverage as of your plan's effective date; expenses for illnesses are eligible for coverage beginning on the 6th day following the effective date. Your certificate will take effect on the later of:

- The requested effective date on your application; or
- The day after the postmark date affixed by the U.S. Postal Service,* but only if the following conditions are satisfied:
  - A. Your application and the appropriate premium payment are actually received by us within 15 days of your signing;**
  - B. You are a member of the Federation of American Consumers and Travelers (FACT);
  - C. Your application is properly completed and unaltered;
  - D. You have answered "no" to question 2 (if other questions are answered "yes," we will exclude the person(s) listed);
  - E. You are a resident of a state in which the certificate form can be issued; and
  - F. If the application is submitted by an agent or broker, the agent or broker is properly licensed and appointed to submit applications to Golden Rule.

* If mailed and not postmarked by the U.S. Postal Service or if the postmark is not legible, the effective date will be the later of:
(1) the date you requested; or (2) the date received by Golden Rule. If the application is sent by any electronic means including fax, your coverage will take effect on the later of: (1) the requested effective date; or (2) the day after the date received by Golden Rule.

** Your account will be immediately charged.

Eligibility

At time of application, the primary insured must be a minimum of 19 years of age.

Eligible Expense

An eligible expense means a covered expense as follows:

- **For Network Providers:** The contracted fee for the provider.
- **For Non-Network Providers:** As defined in the policy.

Emergency

"Emergency" means an unforeseen or sudden medical condition manifesting itself by acute signs or symptoms which could reasonably result in death or serious disability if medical attention is not provided within 24 hours.

No Non-Network Benefits

- **These plans only pay benefits for eligible expenses from a network provider.** Visit **UHOne.com** to search for providers.
- No benefits are payable for non-emergency care from a non-network provider.
- Emergency treatment from a non-network provider will be treated as a network eligible service. This means you will owe the difference between what the non-network provider bills and what we pay for a network eligible expense.

Non-Renewable

Your Short Term Medical certificate is not renewable. We may cancel coverage if there is fraud or material misrepresentation made by or with the knowledge of a covered person in filing a claim for benefits.

Termination

- Nonpayment of premiums when due.
- The termination date shown on the Data Page of the policy/certificate.
- The date we receive a request from you to terminate the policy/certificate.
- The date there is fraud or material misrepresentation made by or with the knowledge of a covered person filing a claim for benefits.
